Biography

Luis is an entertainer. Along with working behind the scenes as a songwriter he has plenty of experience on stage as an artist as well. With this insight in the best of both worlds he instinctively writes authentic lyrics in all different styles of music.

His repertoire as lyricist and topliner is almost unlimited. Luis is writing in English and German, may it be Pop, Rap/Hip Hop, Rock, Punkrock, Heavy Metal, Country, Folk, German Schlager, or even modern electronic music like Deephouse, Dubstep, Drum and Bass or Techno. His work for acts like Michael Schulte, Adam Stacks, Jens Loh's Hippie und Chris Cosmo are a proof of that.

Until 2014 he toured Germany and Europe as frontman, singer, songwriter, rapper, lyricist and topliner of his german Pop group Luis Laserpower. He also works as a Rap artist, beatproducer, remixer and is one part of the DJ duo Uppercut.Continue, As human beatbox, he was invited to tour with internationally acclaimed Jazz and Fusion artists Wolfgang Schmid (of Passport fame), Oli Rubow (De-Phazz) and Jens Loh.

Besides music, he loves to explore all aspects of pop culture like movies, video games and graphic novels and enjoys a good glass of „Rieslingschorle“ (Riesling white wine mixed with sparkling water)
